CORPORATE

During the quarter work continued on an investment in metals recycling industry which the Board believes will be a good value proposition for the Company's shareholders. The transaction is now at an advanced stage of negotiations and the Board expects to be able to make an announcement shortly.

Last week the company received an interest-free, unsecured loan of \$25,000, with no fixed repayment terms, from a director related entity.

The company continues to keep administration costs to a minimum and will pay directors fees in shares, subject to shareholder approval, to preserve cash.
